Tuesdays

10 am – 3.00 pm

Parks Victoria (PV)

Negotiations continue with PV and they are currently working through the options and requirements for a site at Lysterfield Park. Work continues on the park bench repairs for PV.

City of Casey

The committee has replied to the council offer of a license over Essex Park Drive. The preferred position is that we do not manage the other men's group. We have received indicative outgoings from council which are substantial but can be managed. We have also requested that council revisit the permanent site options in particular, two for which no information has been received.

EHMS signage

Attached are some bits that I have to layout the word Hills, now I wonder if my fellow members would like to add to this to make up Endeavour Hills Men's Shed.

Letters can be made up of anything 'workshop' related and not too heavy or thick.

Letter size is 150mm for caps and 100mm for rest.

These would then be mounted on a sheet to hang or on an A frame.

Looking forward with what you can come up with.
Hans.

Dandenong All Holden Car Show on 18th March 2018

The EHMS will be barbequing at this event held by the Rotary Club of Endeavour Hills. This will be the 10th annual show which was started by Rotary Club of Endeavour Hills and Endeavour Hills Men's Shed member Tony Phillips.

Cardinia Reservoir

Work continues repairing the outdoor furniture in the park.

Building Fund

Tony Phillips has been quietly fundraising and we now have over \$20,000 in our building fund, thanks Tony.

We have set a target of \$100,000 for our building fund.

Anyone with fund raising ideas please talk to the committee.
