- Place hook for dartboard outside in the covered area
- Determine fittings and ducting required for use of the dust extractor and lathe.

Of course there will be sausages for lunch in between all this.

## **Parks Victoria (PV)**

Negotiations continue with PV and they are currently working through the options and requirements for a site at Lysterfield Park. Work continues on the park bench repairs for PV. President Trevor has suggested a planning scheme amendment to PV which will enable a Men's Shed to be on PV Land.

## **City of Casey**

A meeting with the two councilors for Endeavour Hills was held last Tuesday with the EHMS Committee. President Trevor will give details in his report at our next meeting, but don't hold your breath.

## **Other activities**

The chess club, bike riding and walking clubs will continue into the second year.

Car Boot Sale – Hans van Dkye is talking to Endeavour Hills Shopping Centre Management re holding a car boot sale at the shopping centre as a fundraiser for the EHMS.

## EHMS signage

Attached are some bits that I have to layout the word Hills, now I wonder if my fellow members would like to add to this to make up Endeavour Hills Men's Shed.

Letters can be made up of anything 'workshop' related and not too heavy or thick.

Letter size is 150mm for caps and 100mm for rest.

These would then be mounted on a sheet to hang or on an A frame.

Looking forward with what you can come up with.

Hans.

## Dandenong All Holden Car Show on 18<sup>th</sup> March 2018

The EHMS will be barbequing at this event held by the Rotary Club of Endeavour Hills. This will be the 10<sup>th</sup> annual show which was started by Rotary Club of Endeavour Hills and Endeavour Hills Men's Shed member Tony Phillips.

## Cardinia Reservoir

Work continues repairing the outdoor furniture in the park.

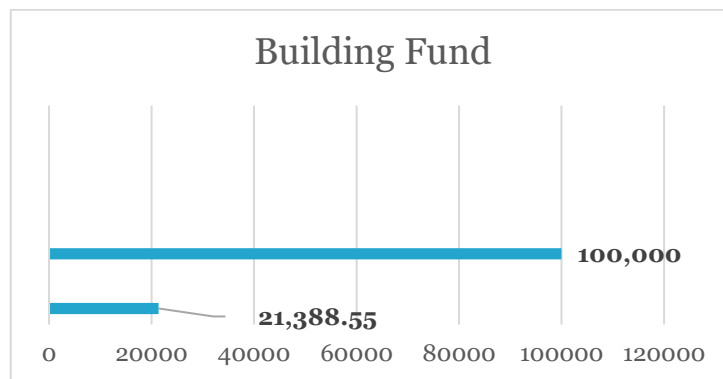

## Building Fund

Tony Phillips has been quietly fundraising and we now have over \$21,000 in our building fund, thanks Tony.

John Grennan presented a cheque for \$500 from Dandenong Rotary to the treasurer at the committee meeting.

We have set a target of \$100,000 for our building fund.

Anyone with fund raising ideas please talk to the committee.
