EHMS signage

Attached are some bits that I have to layout the word Hills, now I wonder if my fellow members would like to add to this to make up Endeavour Hills Men's Shed.

Letters can be made up of anything 'workshop' related and not too heavy or thick.

Letter size is 150mm for caps and 100mm for rest.

These would then be mounted on a sheet to hang or on an A frame.

The signboard is in our storeroom.

Building Fund

As always thanks for the amazing donations.

We have set a target of \$100,000 for our building fund.

Anyone with fund raising ideas please talk to the committee.
