Negotiations continue with PV and they are currently working through the options and requirements for a site at Lysterfield Park. President Trevor has suggested a planning scheme amendment to PV which will enable a Men's Shed to be on PV Land. A meeting between PV and City of Casey to be held re the planning scheme amendment. PV is also working with the City of Casey to form a Committee of Management for the Sydney Parteger Reserve.

In addition, President Trevor has followed up with PV the old girl guides building in the Police Paddocks following a tip from EHMS member Gordon Harris.

Bill Mallinson from PV has said "that we are investigating the Police Paddocks site currently occupied by the Girl Guides as a possible option for the Endeavour Hills Men's Shed."

Comments on the draft lease and licence have been sent to council for their consideration.

E H M S SOCIAL OUTING

A social outing is confirmed for Sun 3rd June where we will visit an exciting private collection of Terry Dowel's cars and paraphernalia at the Trydel Museum. Terry has amassed a collection of Cords, Cadillacs and many early American automobiles as well as Australian, plus the only Tucker in Australia and many other items that will interest the ladies as well.

Partners, family and friends are welcomed.

As the property is on a private road and to minimise traffic for the neighbourhood, I suggest we car pool as best we can because of limited parking spaces. Please keep speed down to 20km limit whilst travelling on Buchanan Rd.

When entering the property, take the driveway to the right and please plan to be there by 10am.

The address is 30 Buchanan Rd Guys Hill, Beaconsfield. To see a map click on <https://binged.it/2bkPuQG> Shared from Bing Maps

To get a heads up, go to a recent TV episode of Glenn Everitt's Man and Machine by clicking here - <http://www.shannons.com.au/club/video/terry-dowel-collectionepisode-13-series-3-man-and-machine/>

EHMS signage

Attached are some bits that I have to layout the word Hills, now I wonder if my fellow members would like to add to this to make up Endeavour Hills Men's Shed.

Letters can be made up of anything 'workshop' related and not too heavy or thick.

Letter size is 150mm for caps and 100mm for rest.

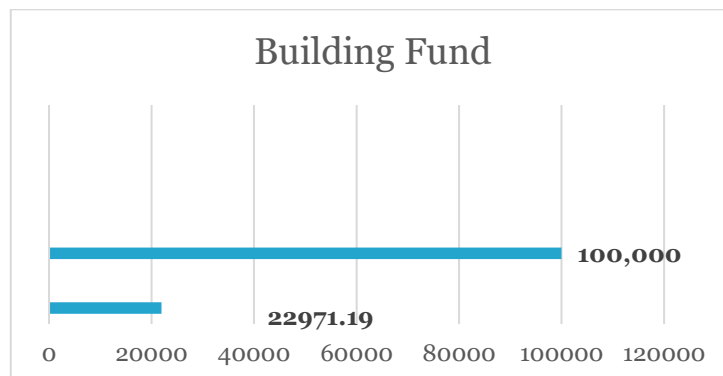

These would then be mounted on a sheet to hang or on an A frame.

The signboard is in our storeroom.

Building Fund

As always thanks for the amazing donations.

We have set a target of \$100,000 for our building fund.

Anyone with fund raising ideas please talk to the committee.
