- Next fishing trip in January for snapper.
- Visit to the desal plant at Wonthaggi on 9th May

Above - Fitting the sound system

Below - building a slider box

Parks Victoria (PV)

PV contacted President Trevor stating that the Commercial Legal Team have given advice that PV cannot offer a lease to the EHMS, this removes Sydney Parteger, Police Paddocks and Lysterfield Lake park as possible sites for the EHMS.

Through the VMSA, President Trevor and I met with Phil Kylie and Lyndsay Oates from the VMSA, and Tony Varco and Catherine Campbell from PV. Trevor will report on the meeting on Tuesday.

City of Casey

President Trevor has identified a further site within the City of Casey which may be suitable for a men's shed. This will be discussed with council.

The proposed lease for Essex Park is still being negotiated with further questions sent to council this week.

Registered Address of the EHMS

At present we do not have a post box, and last week I found a letter from the Department of Justice in the letter box at Essex Park Drive. If you are completing forms or other communication the registered address is:

Endeavour Hills Men's Shed
3 Corker Close Narre Warren
Victoria 3805

EHMS Committees

Program

Graeme Seymour
Andras Jakab
Neil Bennet

The Disaster Aid Australia Conference 2018
Sat 5th – Sunday 6th May

A very successful Conference in Dandenong attended by Directors of DAA, associates from all over Australia and international guest from the Philippines and Bhutan.

The pictures show a demonstration of the Sky Hydrant an ultrafiltration unit that can produce 1000 litres per hour of potable (drinking) water. The picture on the right shows the relative sizes of water molecules, the sand. Viruses turbidity and colour, all of which are bigger than the water molecules. Hence ultrafiltration at 0.4 micron allows only water through the fiber filters.

EHMS signage

Attached are some bits that I have to layout the word Hills, now I wonder if my fellow members would like to add to this to make up Endeavour Hills Men's Shed.

Letters can be made up of anything 'workshop' related and not too heavy or thick.

Letter size is 150mm for caps and 100mm for rest.

These would then be mounted on a sheet to hang or on an A frame.

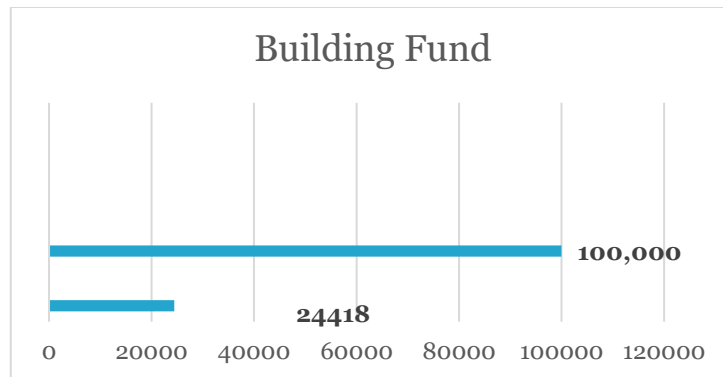

The signboard is in our storeroom.

Building Fund

Some exciting news on fundraising will be announced on Tuesday

As always thanks for the amazing donations and thanks to the BBQ team.

We have set a target of \$100,000 for our building fund.

Anyone with fund raising ideas please talk to the committee.
