EHMS signage

Attached are some bits that I have to layout the word Hills, now I wonder if my fellow members would like to add to this to make up Endeavour Hills Men's Shed.

Letters can be made up of anything 'workshop' related and not too heavy or thick.

Letter size is 150mm for caps and 100mm for rest.

These would then be mounted on a sheet to hang or on an A frame.

Looking forward with what you can come up with.

Hans.

Hans will bring in part of the sign on Tuesday.

Dandenong All Holden Car Show on 18th March 2018
