4. The head teacher shall be held responsible for the nature and extent of the punishment inflicted in the school under his charge.
5. Corporal punishment shall be administered only as provided hereunder:-

 - (ii) it shall be inflicted on boys only;
 - (iii) the instrument employed shall be a strap;

Parks Victoria (PV)

Work will start on site at Churchill National Park on 31st May. in the Picnic Ground. A program of repairs to tables and seating has been organised.

City of Casey

We are still waiting for the meeting with the City of Casey re a permanent site.

Another Great Excursion – The Trydel Car Collection.

The very first Holden off the production line.

One of the very last Holden's off the production line

The Endeavour Hills Men's Shed team with Museum owner Terry Dowell on the right.

Among an array of imported motor vehicles, memorabilia, two motor bikes and one push bike, were several iconic representatives of our now defunct Australian car manufacturing industry, including a Hartnet (an early victim of a Government withdrawing support) and the one of the last Holdens produced locally.

Generations of technological advancement and design, changes in passenger comfort, and the degrees of ostentation were... as diverse as the items in the collection.

The second story retro diner, extensive bric a brac collection, the library, and theatre were also a surprise and a treat to see.

An external storage area contains a range of vintage vehicles awaiting restoration. This suggests that this comprehensive display is one segment of our motor industry which continues to have a future.

Our thanks to our hosts Terry and Marcia Dowell for the opportunity to visit something much, much more, than a car collection.

EHMS signage

Attached are some bits that I have to layout the word Hills, now I wonder if my fellow members would like to add to this to make up Endeavour Hills Men's Shed.

Letters can be made up of anything 'workshop' related and not too heavy or thick.

Letter size is 150mm for caps and 100mm for rest.

These would then be mounted on a sheet to hang or on an A frame.

The signboard is in our storeroom.

Building Fund

As always thanks for the amazing donations and thanks to the BBQ team.

We have set a target of \$100,000 for our building fund.

Anyone with fund raising ideas please talk to the committee.
