Christmas In July at the Dandenong Club

A joint Christmas in July was held between EHMS, RCEH and the newly formed Endeavour Hills Probud Club. A successful evening thanks to the organisers John Grennan and Martin Pater.

David Collins Kinder

On Wednesday last week members met at Howards place to work in his garage. We started on the assembly of a sink unit using pallets from Bunning and a donated sink (thanks to President Trevor for the delivery to site.

Tools were brought over from the men's shed store and some of Howards personal tools and workbench were used.

Special thanks to Howards wife Inger for the supply of tea, coffee, biscuits and party pies.

A second working bee will be held today.

Parks Victoria

Now that the City of Casey have management rights over the Sydney Parteger reserve they seem to be leaving the decision on the men's shed to council.

The next working bee at Churchill National Park is on 18 July.

No progress has been made on neither the lease at Essex Park Drive nor the permanent site.

EHMS signage

Attached are some bits that I have to layout the word Hills, now I wonder if my fellow members would like to add to this to make up Endeavour Hills Men's Shed.

Letters can be made up of anything 'workshop' related and not too heavy or thick.

Letter size is 150mm for caps and 100mm for rest.

These would then be mounted on a sheet to hang or on an A frame.

The signboard is in our storeroom.

Building Fund

As always thanks for the amazing donations and thanks to the BBQ team.

We have set a target of \$100,000 for our building fund.

Anyone with fund raising ideas please talk to the committee.
