EHMS signage

Attached are some bits that I have to layout the word Hills, now I wonder if my fellow members would like to add to this to make up Endeavour Hills Men's Shed.

Letters can be made up of anything 'workshop' related and not too heavy or thick.

Letter size is 150mm for caps and 100mm for rest.

These would then be mounted on a sheet to hang or on an A frame.

Hans had the signboard at last week's meeting.

Dandenong All Holden Car Show on 18th March 2018

The EHMS will be barbequing at this event held by the Rotary Club of Endeavour Hills. This will be the 10th annual show which was started by Rotary Club of Endeavour Hills and Endeavour Hills Men's Shed member Tony Phillips.

Cardinia Reservoir

Work is now complete repairing the outdoor furniture in the park.

Building Fund

John Grennan presented a cheque for \$500 from Dandenong Rotary to the treasurer at the committee meeting.

We have set a target of \$100,000 for our building fund.

Anyone with fund raising ideas please talk to the committee.
