- Chess, jigsaws, cards and other games available after the reports and speaker

PETITION

OUR PETITION HAS OVER 1000 SIGNATURES!

- **WE HAVE DONE THIS!**
- **WELL DONE TO ALL**

WE WILL PRESENT IT TO COUNCIL on 2nd OCTOBER.

Endeavour Hills Library

We have a project with the Endeavour Hills Library, demonstrating various tasks.

A plan needs to be submitted to the library by 5th October, Stan and Ivan will prepare the plan for submission by President Trevor. The actions required for the plan will be undertaken by Stan, Ivan, Tony and Rudi. Other members may be asked to contribute.

- Cut out MDF butterflies and UFO's or colouring by children
- Simple bike repairs
- Scale modelling - Vin
- Simple house repairs blocked sink fix tap washer what else?

How many sessions do we want what days Wednesdays, Saturdays? When mornings, afternoons evenings?

Cricket or Bowls Scoreboards

A local has donated a number of tools to us on addition to a table tennis table. Regrettably his wife passed away recently, and family issues sees him needing to move from his home. A retired toolmaker he previously manufactured scoreboards for bowling and Cricked Clubs and due to circumstances was left with about 100 scoreboards.

These are manual and don't rely on batteries or electronics.

The word 'ends' can easily be changed to read 'overs' .

Please use any contacts that you might have to assist with their sale. They are unused and in their original boxes. A sample is available.

Part of the sale will go towards our building fund and could be a significant fund raiser for us.

Forthcoming Events

- Dinner Dance 24th November 2018 at the Dandenong Club

Community Grants – City of Casey

Trevor has submitted our application for a community grant in the latest round of grants from the City of Casey.

Cluster Meeting

John Thornton, Tony Phillips and Paul Morris attended the Cluster meeting at Baxter on 27th September.

The format was introductions followed by two guest speakers.

The first on the evolution and revolution of electric cars. The City of Paris is about to ban internal combustion engines and allow only electric vehicles in the city centre.

The second speaker was a spy who gave us an overview of the various national and international spying organisations how they gather and sift intelligence, who spies on whom and how. He said that we have declared intelligence officers in various countries.

The next part of the meeting was overviews of what's happening in the VMSA followed by shed by shed short presentations.

Next was lunch followed by an inspection of the Peninsula North Men's Shed at Baxter adjacent to the community hall where we met.

Editors Comment: Not enough time for discussion on shed business, 1 speaker would be adequate and consider an earlier start time.

The Peninsula North Men's Shed is well equipped and has a large kitchen/ meeting room. They have a dust extraction system which they installed themselves at a cost of \$10,000, \$8000 for the extractor and \$2000 for pipework and fittings. They also have a reticulated compressed air system.

Thanks to John Thornton for driving us.

An important report was on a break in at a shed and the ramifications, this will be discussed at the meeting tomorrow.

Bunnings BBQ Grand Final day

Great result for our efforts on Saturday with a profit of \$764.10. Our donations tin was also opened and a further \$131.40 goes into our building account.

Well done to all concerned, next week we are at it again at Bunnings on Sunday our last BBQ this year?

Parks Victoria

Removal of ~10 signs that are out dated, damaged or no longer relevant.

Install and replace some sign faces.

Graffiti removal

-Give the tables another coat of linseed.

-Fence removal

-Remove the cracked glass screen on the information board.

-Install a speed bump

It has now come to light that the intent of Parks Victoria was for the City of Casey to manage **all** of the Sydney Parteger reserve and this is now being reflected with a new agreement. This means that approval of both PV and council is necessary for us to be allocated land at the reserve.

We will keep pushing for the Sydney Parteger Reserve as our permanent site.

Building Fund

As always thanks for the amazing donations and thanks to the BBQ team.

We have set a target of \$100,000 for our building fund.

Anyone with fund raising ideas please talk to the committee.

The balance of the current account is \$5317.05.
