Who will do the Job?

There were once four people,
Everybody, Somebody, Anybody and Nobody,
There was an important job to be done,
Everybody thought Somebody would do it,
Anybody could have done it but Nobody did,
Somebody got angry about that because
It was Everybody's job.
Everybody thought Anybody could do it,
But Nobody realized that
Everybody would not do it.
It ended up with Everybody blaming Somebody
And Nobody doing what
Anybody could have done!

Visit to Dingley Men's Shed

Cricket or Bowls Scoreboards

A local has donated a number of tools to us on addition to a table tennis table. Regrettably his wife passed away recently, and family issues sees him needing to move from his home. A retired toolmaker he previously manufactured scoreboards for bowling and Cricked Clubs and due to circumstances was left with about 100 scoreboards.

These are manual and don't rely on batteries or electronics.

The word 'ends' can easily be changed to read 'overs' .

Please use any contacts that you might have to assist with their sale. They are unused and in their original boxes. A sample is available.

Part of the sale will go towards our building fund and could be a significant fund raiser for us.

Forthcoming Events

- Dinner Dance 24th November 2018 at the Dandenong Club
- **Rotary Club of Endeavour Hills Caulfield Cup Calcutta 18th October 6.30 for 7.00pm at the Dandenong Club \$30 per head drinks at bar prices.**

Community Grants – City of Casey

Trevor has submitted our application for a community grant in the latest round of grants from the City of Casey.

Parks Victoria

Removal of ~10 signs that are out dated, damaged or no longer relevant.

Install and replace some sign faces.

Graffiti removal

-Give the tables another coat of linseed.

-Fence removal

-Remove the cracked glass screen on the information board.

-Install a speed bump

It has now come to light that the intent of Parks Victoria was for the City of Casey to manage **all** of the Sydney Parteger reserve and this is now being reflected with a new agreement. This means that approval of both PV and council is necessary for us to be allocated land at the reserve.

We will keep pushing for the Sydney Pargeter Reserve as our permanent site.
