**Endeavour Hills. Buy now. And laugh all the way to the bank.**

When it comes to buying land, inflation is on your side. Because with inflation comes wage increases. The \$29 weekly you'd pay now on an \$12,500 block at Endeavour Hills will be something less in real money terms a year from now. How? Because inflation will have increased your wages, but the weekly payment will remain the same. This means it gradually becomes a smaller and smaller percentage of your income. Meanwhile, the value of the land, again because of inflation, is going up all the time. Look at the graph. It shows the amazing increase in the value of land over the last two years. Frightening if you don't own land. Mighty pleasing if you do. So what will a homesite be worth this time next year. If you draw what we believe is the obvious conclusion, you'll agree — the time to buy your homesite at Endeavour Hills is right now.

### Lease and Licence at Essex Park

An original of the lease and licence, signed by council and the EHMS has now been delivered to us. ## Endeavour Hills Library

We have a project with the Endeavour Hills Library, demonstrating various tasks.

At present we are making the cut-out animals for children to paint and we need smocks to keep the little guys clean. The actions required for the plan will be undertaken by Stan, Ivan, Tony and Rudi. Other members may be asked to contribute.

- Cut out MDF butterflies and UFO's or colouring by children
- Simple bike repairs
- Scale modelling - Vin
- Simple house repairs blocked sink fix tap washer

**Thanks to Ivan  
for the use of his  
workshop.**

## Cricket Scoreboards

These are manual and don't rely on batteries or electronics.

Please use any contacts that you might have to assist with their sale. They are unused and in their original boxes. A sample is available.

Part of the sale will go towards our building fund and could be a significant fund raiser for us.
