Thanks go to retiring members Graeme Seymour (Treasurer) and Tony Phillips (Committee member and Inaugural Treasurer). We look forward to your ongoing input from the members tables and BBQ's.

Welcome to Neil Evans and Robert Kay as new committee members.

President Trevor has submitted our application for a State Government Grant for up to \$80,000. It took several emails to get all our information submitted. We now have to wait until later in the year to see if we are successful.

Please all shedders put your thinking caps on, we will need to continue fundraising after our permanent shed is built to cover outgoings for the new build. If you have an idea please follow it through **yourself before** presenting it at a meeting. Trevor is working very hard behind the scenes but cannot do it alone nor should he, we all want a shed so let's all help out.

Cricket Scoreboards

We still have many scoreboards to sell, all members should try and find a home for one, at least. We have three in top storeroom.

Forthcoming Events

30th July Model Railway club with Vin as our guide.

6th August Neil Evans and Vin's Icebreaker speeches. Soup for lunch by Tony C.

Guitar & Ukulele School has been formed and will meet from 12.30pm on the second Tuesday of the month come along and join in. This will be conducted under the guidance of Roger.

This group is growing fast, members are bringing their own instruments, and some have purchased new ones. See Roger if you are interested.

Projects

Mounting of 23 Barometers

Woodwork Toys

We have more models to work from i.e.: - Truck, Steam Roller. Please call in on our project days Wednesday & Thursday to help out. Neil E has plans for a grader

Plans are available to commence project now

Shedders we have the equipment please roll up on **Wednesday & Thursdays** to make the most of our project days

Great to see members, making use, of our project days. Airplanes galore

Guys if you are looking for anything in the storerooms. Just ask Neill B he knows where everything is.
