This week

Back to Neil Evan's Icebreaker – Further information:

Extract from Neil Evans's family history to fill in the gap raised in his life story talk this morning.

"David Evans Jnr (four-times-great-grandfather) was born in Llandilo Merionethshire Wales.

When David was 20 years of age, he joined the Merionethshire Militia where he was a Private during the Napoleonic War fighting for the English against the French.

As this war was mainly fought on the beaches of the southernmost tip of Britain, (namely Cornwall), the majority of soldiers settled in the local area after the war rather than returning to their original homes."

NEW BUILDING

A meeting with council officers/councilors with the Committee to address the latest requirements and budget for our new shed will be held on Wednesday 28th August 2019.

President Trevor has submitted our application for a State Government Grant for up to \$80,000. It took several emails to get all our information submitted. We now must wait until later in the year to see if we are successful.

Please all shedders put your thinking caps on, we will need to continue fundraising after our permanent shed is built to cover outgoings for the new build If you have an idea please follow it through **yourself before** presenting it at a meeting. Trevor is working very hard behind the scenes but cannot do it alone nor should he, we all want a shed so let's all help out.

Grant applications:

David's, Jokes – new weekly segment.

HOW THE FIGHT STARTED

**One year, I decided to buy my mother-in-law
a cemetery plot as a Christmas gift
The next year, I didn't buy her a gift.
When she asked me why, I replied,
Well, you still haven't used the gift I bought you
last year!"
And that's how the fight started.....**
