## **This week at the Men's Shed on Tuesday**

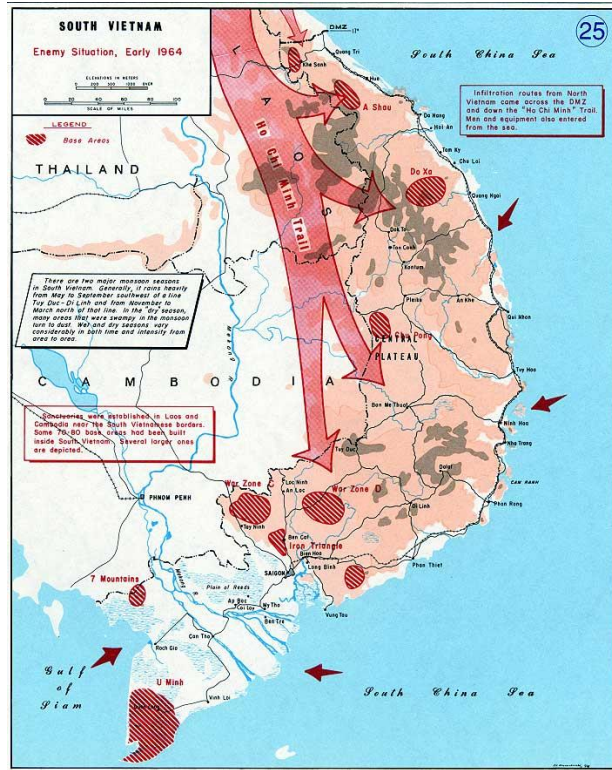

### **11am Equip4life Session 5**

**Lunch will be party pies and sausage rolls.**

## **Last week at the shed**

Vin and Stan were awarded with Helicopter hats in recognition of their great contributions to our Men's Shed. In particular, the computer sessions and programming demonstrations.

Neil Bennett gave the EHMS an interesting presentation of his time while at active duty in the ADF. The highlight was his time in Vietnam supporting the US and South Vietnam effort to stem the spread of communism by the Viet Cong during the 1960s.

## NEW BUILDING

**Work will start in January and be completed by the end of June.**

Please all shedders put your thinking caps on, we will need to continue fundraising after our permanent shed is built to cover outgoings for the new build. If you have an idea please follow it through **yourself before** presenting it at a meeting. Trevor is working very hard behind the scenes but cannot do it alone nor should he, we all want a shed so let's all help.

### Grant applications:

**The Casey Cardinia Foundation – 2019 Grants awarded to the Endeavour Hills Men's Shed.**

Grants Pending State Gov \$80,000

Grants promised City of Casey \$600,000

## Endeavour Hills Mens' Shed Inc

**Budget for our new shed**

Last week led by treasurer John, we had a look at what we will need for the new shed and the move from Essex Park to Sydney Pargeter Reserve.

**Cricket Scoreboards**

We still have many scoreboards to sell, all members should try and find a home for one, at least.

We have three in the top storeroom and more at the DAA Office in Doveton.

**David's Weekly Joke - HUMOR FOR LEXOPHILES**

- The short fortune teller who escaped from prison was a small medium at large.
- A thief who stole a calendar got twelve months.
- A thief fell and broke his leg in wet cement. He became a hardened criminal.
- Thieves who steal corn from a garden could be charged with stalking.
- We'll never run out of math teachers because they always multiply.
- When the smog lifts in Los Angeles, U.C.L.A.
- The math professor went crazy with the blackboard. He did a number on it.
- The professor discovered that her theory of earthquakes was on shaky ground.
- The dead batteries were given out free of charge.

## Projects

- Construction of base and installation of Scalextric Racing Set – completed.
- Construction of base and installation of Hornby OO train set.
- Mounting of 23 Barometers
- Woodwork Toys

We have more models to work from i.e.: - Truck, Steam Roller. Please call in on our project days Wednesday & Thursday to help. Sandy has plans for a grader now completed plus truck money box's

Plans are available to commence projects now

Shedders we have the equipment please roll up on **Wednesday & Thursdays** to make the most of our project days

Great to see members, making use, of our project days. Airplanes galore

Guys if you are looking for anything in the storerooms. Just ask Neill B he knows where everything is.
