Permanent Shed

A meeting with Callum Pattie is scheduled for today.

Extract from an email sent by Sara Markus following the last meeting

“The City of Casey Open Space Assessment Report is continuing, therefore a location for the men’s shed onsite is still to be determined (two possible locations have been identified). It is anticipated that location can be determined by March 2019”

The time frame for this year’s round of grants is, given the above, extremely tight.

Council will expect us to provide

- Confirmation of project funding
- Building Plans and documentation reviewed and approved by Council’s Building Design and Construction, Building Management Services and Park Services Departments
- Approved Planning permit obtained
- Approved Building permit obtained
- A Memorandum of Understanding created between Council and Endeavour Hills Men’s Shed.
