Equip4Life dietician explaining the difference between good and bad fat and foods.

Members also had measurements taken and blood pressure monitored.

All very interesting, we had to hide the party pies and sausage we were having for lunch.

From our Facebook page - Julia from Equip4Life conducted the 5th session of the healthy lifestyles program with Endeavour Hills Mens Shed on Tuesday the 22nd of October. The session started at 11am and ran for an hour and more.

A big thank you to Julia who moves on to a new career teaching children, we enjoyed and gained greatly from her teaching sessions.

Aim of the course is to equip us to live an active life, eat healthy, exercise and be fit.

The 6th and last session will be next year.

Trevor's, Trip

We have been without our president for the past 2 weeks, he has been travelling to Mt Hotham and Omeo with his van, not a journey for the faint hearted, with rain snow and sleet. Towing a caravan up 7.3% grades, around tight bends with no crash barriers and white lines covered with snow and slush.

NEW BUILDING

Work will start in January and be completed by the end of June.

Please all shedders put your thinking caps on, we will need to continue fundraising after our permanent shed is built to cover outgoings for the new build. If you have an idea please follow it through **yourself before** presenting it at a meeting. Trevor is working very hard behind the scenes but cannot do it alone nor should he, we all want a shed so let's all help.
