NEW BUILDING

The Hon. Luke Donnellan invited us to a photo opportunity on the site of the new Endeavour Hills Men's Shed. We have been granted \$80,000 by the State Government's Men's Shed Grants.

The Endeavour Hills Men's Shed has gone from Incorporation on 20th March 2017 to having a permanent site with funds and approvals, ready to start work in January 2020, in less than 3 years.

Work will start in January and be completed by the end of June.

Tenders close 11th December and once the pricing is known we may have to negotiate with council before the tender is awarded.

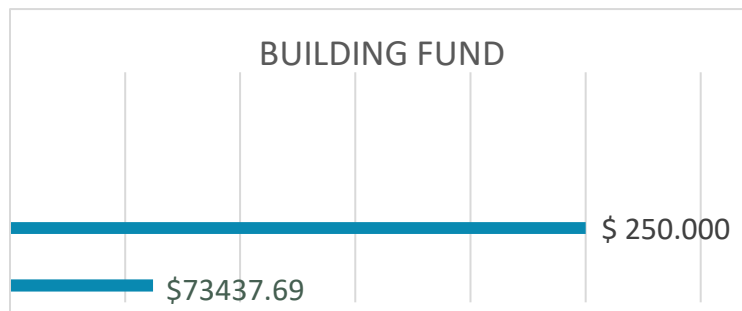

Please all shedders put your thinking caps on, we will need to continue fundraising after our permanent shed is built to cover outgoings for the new build. If you have an idea please follow it through **yourself before** presenting it at a meeting. Trevor is working very hard behind the scenes but cannot do it alone nor should he, we all want a shed so let's all help.

Building Fund

Before the successful tenderer is awarded the tender, we will have to pay our share of the building costs to the City of Casey (\$40,000).

As always thanks for the amazing donations and thanks to the BBQ team.

We have increased our building fund target to \$250,000

The balance of the No 1 Account is **\$ 13,489.14** increase due to Casey Foundation Grant.

The balance of the No 2 Account is **\$ 63,467.69**

Grants Awarded State Gov \$80,000

Grants promised City of Casey \$600,000

NO CHEATING, NOW!

Keep that brain working; see if you can figure out what these seven words all have in common?

1. Banana
2. Dresser
3. Grammar
4. Potato
5. Revive
6. Uneven
7. Assess

Thanks to those members who emailed me and those who offered suggestions last week. The answer I was looking for was:

Take the first letter and put it at the end of the word ananaB and read it backwards to get the same word Banana.

Alt 1

Leaving the initial out you'll get palindromes.

- B leaves anana

Alt 2

The second letter is the same as the last.

Alt 3

Each word has 2 pair of letters

Anymore?

Projects

- Construction of base and installation of Scalextric Racing Set – completed.
- Construction of base and installation of Hornby OO train set.
- Mounting of 23 Barometers
- Woodwork Toys

We have more models to work from i.e.: - Truck, Steam Roller. Please call in on our project days Wednesday & Thursday to help. Sandy has plans for a grader now completed plus truck money box's

Plans are available to commence projects now

Shedders we have the equipment please roll up on **Wednesday & Thursdays** to make the most of our project days

Great to see members, making use, of our project days. Airplanes galore

Guys if you are looking for anything in the storerooms. Just ask Neill B he knows where everything is.
