Cricket Scoreboards

We still have a large number of scoreboards to sell, all members should try and find a home for one, at least. President Trevor is looking for some to take boards to various areas. If you are travelling to Reservoir or Werribee, please contact Trevor.

CIA Insurance – Meat and soft drinks

Richardson French Real Estate - \$500.00

Jax Wax - \$500

Thanks to Tony and Paul for securing the above sponsors, why not see if you can get a sponsor for our car show BBQ (be aware – need different business occupations).

Permanent Shed

Two meetings with council took place last week, At the first we were offered a site at the Sydney Pargeter Reserve next to the Petanque Club. This was withdrawn at the next meeting as it is over a Melbourne Water Easement.

A different site on the reserve will be offered.

The process from here is:

- Casey Council Officers report to Council
- Formal agreement with Parks Victoria
- Letter of support from council
- EHMS responsible plans and approvals
- Confirmation of Funding
- Lease

The Sydney Pargeter Reserve is filled land and soil tests will be necessary to determine any necessary piling which will add to the cost of the building.

We have now increased our funding target to \$250,000.00

The time frame for this year's round of grants is, given the above, extremely tight.

Council will expect us to provide

- Confirmation of project funding
- Building Plans and documentation reviewed and approved by Council's Building Design and Construction, Building Management Services and Park Services Departments
- Approved Planning permit obtained
- Approved Building permit obtained
- A Memorandum of Understanding created between Council and Endeavour Hills Men's Shed.
