## NEW BUILDING

Tenders closed on the 11/12/19. Later we were advised by council that several strong tenders had been received, however the cost was over budget. Council is presently reviewing the budget and it may go to a finance committee meeting in late January.

It is unlikely that we will hear from council until early February, meanwhile we are looking at possible cost reductions without compromising the size of the building.

An update will be provided at Tuesdays meeting.

### **Berwick Woodworkers Club**

Committee members visited Berwick Woodworkers to discuss costs of operation.

This information will be used in planning for the new shed.
