Following the visit by Luke from AEG the committee prepared a wish list of tools and they prepared a quotation for tools which was accepted by the committee

Left: VP Doug models the latest trend in cardboard hats.
Look for him on FTV.com

Below: Members receive their sun hats thanks to a grant and Bunnings where President Trevor made the purchase

Thanks to AJ and Paul for arranging the first Endeavour Hills Men's Shed BBQ at the Sydney Pargeter Reserve.

City of Casey Bushfire BBQ Appeal

John Thorton's pictures and report

Friday, 31 Jan - \$123.10 – weather was awful to us – 40 degrees plus and windy with it. Cooling breaks in the Shopping Centre were essential.

Saturday, 1 Feb - \$332.20 – weather not as hot as Friday but it rained. Centre provided a marquee for cover.

Total \$455.30

Location is not ideal for a BBQ, passing traffic is quite limited, most people park in the low level car parks as these are under-cover. I would not recommend a regular BBQ if this is the location available.

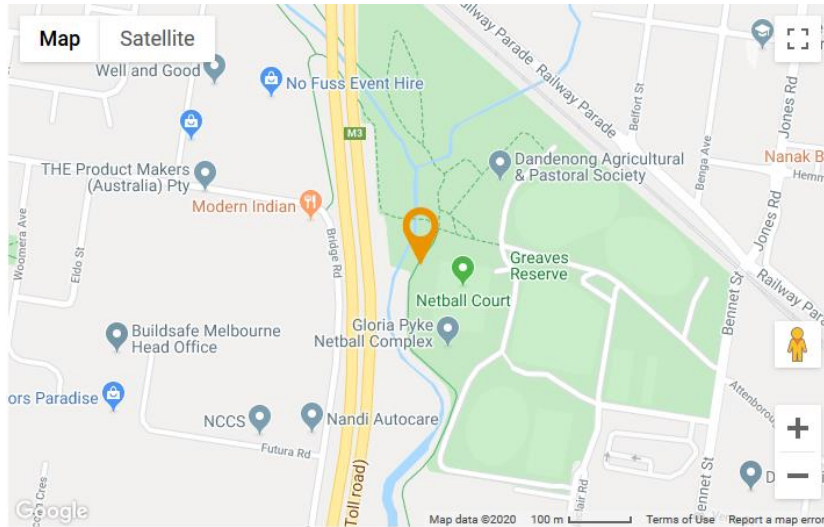

Plus an unknown amount in the collection tin which we left for the Salvation Army to count.

The amount, in cash was handed to the Salvation Army representative who was also taking their collection tins.

Cheers - JohnT

All Holden Car Show 1st March 2020

The Endeavour Hills Men's Shed will again be providing BBQ's for this annual event held by the Rotary Club of Endeavour Hills and this year also assisted by The Rotary Club of Greater Dandenong.

NEW BUILDING

Tenders closed on the 11/12/19. Later we were advised by council that several strong tenders had been received, however the cost was over budget. Council is presently reviewing the budget and it may go to a finance committee meeting in late January.

It is unlikely that we will hear from council until early February, meanwhile we are looking at possible cost reductions without compromising the size of the building.

Projects

- Construction of base and installation of Scalextric Racing Set – completed.
- Construction of base and installation of Hornby OO train set.
- Mounting of 23 Barometers
- Woodwork Toys

We have more models to work from i.e.: - Truck, Steam Roller. Please call in on our project days Wednesday & Thursday to help. Sandy has plans for a grader now completed plus truck money box's

Plans are available to commence projects now

Shedders we have the equipment please roll up on **Wednesday & Thursdays** to make the most of our project days

Great to see members, making use, of our project days. Airplanes galore

Guys if you are looking for anything in the storerooms. Just ask Neill B he knows where everything is.
