At the last meeting

- At the beginning of the meeting, prior to President Trevor arriving, Stan Ashley suggested that we consider starting a program for young persons work experience, by matching industries with suitable applicants.
- Following the arrival of the President we discussed at length our latest offer to council further to their request to select option A (EHMS to organise other groups) or option B (council to organise other groups), option B was unanimously favoured by your committee.

A motion was put:

In principle agreement that the EHMS members submit the modified option B, to council for consideration.

Moved: Doug Rowley seconded: Howard de Zylva Carried unanimously.

Happy Birthday – Roger Bartlett 5th February 2021

Our NEW Shed

On Friday after our last meeting, President Trevor, Paul and Doug met with Luke Donnellan to discuss our reply to council. Following this we submitted the proposal to council by Hnd (Thanks Doug) and by email, It was rejected and we were advised that we were out of time, President Trevor requested an extension to 5.00 pm Monday, this was agreed to in an email from the Council Director.

A committee meeting was held on Sunday at which all the committee were present and voted unanimously to accept option B as per the council letter. We now await a reply from council, who have said that they will review our suggestions on the lease wording and meet with 2 committee members when they have completed the review.

Advice on 3 Phase Power at the new shed

Angie Peresso reported by email:

Further to recent meetings and conversations I would like to confirm that the new facility does have 3 phase power to the board.

There are no three phase outlets installed in the workshop as yet as Council officers do not know the equipment type and layout. This can easily be done once known.

FROM 11.59PM, SUNDAY 17 JANUARY 2021, FACE MASKS WILL NO LONGER BE MANDATORY IN ALL PUBLIC INDOOR SETTINGS.

FACE MASKS CONTINUE TO BE MANDATORY IN THE FOLLOWING LOCATIONS:

- on public transport
- when riding in a ride share or taxi
- inside shopping centres, including the retail stores inside shopping centres, such as clothing stores
- inside indoor markets
- in large retail stores (over 2000 sqm), such as department stores, electronics stores, furniture stores, hardware stores or supermarkets
- on domestic flights to and from Victoria
- at airports
- in hospitals.

You must always carry a face mask with you when you leave home unless you have a lawful reason not to.

It is strongly recommended you wear a mask whenever you cannot keep 1.5 metres distance from others.

Our interpretation of this information is that at this time:

- masks are not legally required to be worn in men's sheds but all participants must have one on their person at all times (unless legally exempt)
- social distancing (and the other requirements of the COVIDSafe plan) is required.
- if there is a situation where social distancing cannot be maintained (for example if two people are required to safely lift materials or move machinery) then masks must be worn for that task.
- wearing masks in the shed, while not currently a legal requirement, is still a good idea and sheds should have a culture where those who would prefer to wear a mask feel comfortable doing so.

THESE REQUIREMENTS CAN CHANGE QUICKLY AND IT IS RECOMMENDED THAT SHEDS SEEK INFORMATION FROM THE DHHS COVID WEBSITE (<https://www.dhhs.vic.gov.au/coronavirus>) FOR THE LATEST INFORMATION ON SAFE OPERATION FOR COMMUNITY FACILITIES AND THE LATEST LIST OF PUBLIC EXPOSURE SITES
