- **President Doug welcomed members to the first meeting of the Endeavour Hills Men's Shed at Sydney Parteger Reserve.**
- **The lease takes effect from 1st April 2021 for a period of 9 years (i.e., until 31st March 2030)**
- **3 phase power is required at 4 points.**
- **Disaster Aid Australia made the first booking for the social area on 2nd October 2021.**
- **Members were reminded that we cannot park on the grass, this is a condition of the lease.**
- **John Thornton is to place the insurance with Gallagher's Broker for 46 members at \$56 per head. This is more than the current membership fee. This will be addressed at the next AGM.**

Back in the days of tanners and bobs,
When Mothers had patience and Fathers had jobs.
When football team families wore hand me down shoes,
And T.V gave only two channels to choose.

Back in the days of three penny bits,
when schools employed nurses to search for your nits.
When snowballs were harmless; ice slides were permitted
and all of your jumpers were warm and hand knitted.

Back in the days of hot ginger beers,
when children remained so for more than six years.
When children respected what older folks said,
and pot was a thing you kept under your bed.

Back in the days of Listen with Mother,
when neighbours were friendly and talked to each other.
When cars were so rare you could play in the street.
When Doctors made house calls; Police walked the beat.

Back in the days of Milligan's Goons,
when butter was butter and songs all had tunes.

It was dumplings for dinner and trifle for tea,
and your annual break was a day by the sea.

Back in the days of Dixon's Dock Green,
Crackerjack pens and Lyons ice cream.
When children could freely wear National Health glasses,
and teachers all stood at the FRONT of their classes

Back in the days of rocking and reeling,
when mobiles were things that you hung from the ceiling.
When woodwork and pottery got taught in schools,
and everyone dreamed of a win on the pools.

Back in the days when I was a lad,
I can't help but smile for the fun that I had.
Hopscotch and roller skates; snowballs to lob.

Back in the days of tanners and bobs. 🧑🧑

From our NSW member Ray Stewart

I had amnesia once ... or twice.

I am neither for nor against apathy.

All I ask is a chance to prove that money can't make me happy.

If the world were a logical place, men would be the ones who ride horses side-saddle.

What is a "free" gift? Aren't all gifts free?

They told me I was gullible ... and I believed them.

Teach a child to be polite and courteous in the home, and when he grows up, he'll never be able to merge his car onto the freeway.

Experience is the thing you have left when everything else is gone.

One nice thing about egotists ... they don't talk about other people.

My weight is perfect for my height ... which varies.

I used to be indecisive. Now, I'm not sure.

The cost of living hasn't affected its popularity.

How can there be self-help groups?

Show me a man with both feet firmly on the ground, and I'll show you a man who can't get his pants off.

Is it just me, or do buffalo wings taste like chicken?
