Montagues Orchard Harvest Festival

The Harvest festival site was set up at 6.30 am.

Our first customer found a problem with the prototype game, he could not fix it, nor his mother, so Howard had to step in and do on site repairs.

It was dark and cold, then cold, then wet and cold - not the best of days, but the company was enjoyable. (john T)

We made \$85 (2 barometers and a cheese board) - for much of the time I was expecting zero. (John T)

Can you spot the skin cancer?

Skin cancers can come in all forms, sizes and colours – and sometimes be nearly invisible to the naked eye, like some of these most recent cases we treated show.

Skin health tips of the month

Particular skin cancer history in the family can increase your own risk significantly. Learn the factors that play a part in the genetic risk that may be passed on.

Photodynamic therapy reduces skin cancer risk and treats superficial skin cancers, pre cancerous lesions, sun spots and more. Learn more about this topical treatment.

Dandenong Chess Club

The Dandenong Chess Club now meets at the Shed most Wednesday evenings. Any EHMS members, beginners or budding grand masters are invited to go along. Call Paul Huver on 0406 786 242 for information.
