It's time to get the Flu Shot!

It is time to book in to get the Flu Shot. Supplies are readily available from your GP or Pharmacist.

Shedders are a more vulnerable cohort than the rest of the population, so we encourage all Shedders to get vaccinated.

- Influenza (sometimes called 'the flu') is a highly contagious virus that causes widespread illness every year.
- Immunisation and practising prevention measures are the best ways we can protect against the flu and reduce the number of influenza infections and deaths.
- Yearly flu immunisation is recommended for everyone aged 6 months and over.
- Some people are more at risk of complications from the flu and are eligible for free vaccination.
- People who work or live with people who are at risk of serious complications should also be immunised to avoid spreading the flu.
- The flu vaccine cannot give you influenza because it does not contain any live virus.
- You can receive your flu vaccine and your COVID-19 vaccine on the same day.

Remember to help contain the flu virus follow these simple guidelines:

- **Get vaccinated**
- **Stay home if you are sick**
- **Wash hands regularly and sanitiser**
- **Keep a safe distance, and**
- **Choose to wear a mask if you wish to protect others and yourself**

Gosh, the same guidelines as COVID-19!

You can read more on the Victorian Government website here: <https://www.betterhealth.vic.gov.au/health/healthyiving/flu-influenza-immunisation#bhc-content>

And on the Federal Government Website here: <https://www.health.gov.au/health-topics/immunisation/vaccines/influenza-flu-vaccine>

Your GP will normally stock flu vaccine and is given at no charge to the patient at the Hallam Family Practice. Ed.

Dandenong Club Bowling

A game of bowls is what happens on the last Friday of the month, where members and partners socialize with dinner afterwards. Why not try it next month see AJ for details.

Dandenong Chess Club

The Dandenong Chess Club now meets at the Shed most Wednesday evenings. Any EHMS members, beginners or budding grand masters are invited to go along. Call Paul Huver on 0406 786 242 for information.

If you have an idea do something about it!!!

Think Tank

A few ideas:

- Attractions on a different day
- Food demos John T and Kam Pow RC
- Karaoke
- Darts
- Vehicle servicing
- Arts Group
- Trivia

Andrews Centre

Tony Brosinsky, Laurie Canfield, Graeme Seymour and Howard de Zylva completed work at the Andrews centre on Thursday, Judy was pleased with the result. Well done, Men.

Workshop and social area etiquette.

- If you make a mess, it is your responsibility to clean it up.
- If you need assistance just ask.
- If you spill anything wipe it up.
- The 240 litre bins are not for timber disposal
- Only bottles and cans in the recycling bin, everything else in the waste bin.

Signing in

Shed supervisors should not have continually check up on members attendance registration.

Please remember:

1. Enter your entry and departure time on the manual sheet.
2. Remember your \$2 for tea, coffee, water and biscuits.

EHMS tool policy

Tools are not to be removed from the workshop for member's private use.

Tools required for approved projects may be signed out and taken to site for use and then returned and sign in.

Double Vaccinated All members must be double vaccinated to enter the Shed.

Workshop training

The workshop committee now asks that any member who wants training on individual tools contact the trainer directly and arrange a mutually convenient time to have the training. Remember members must be trained to the satisfaction of the trainer on each tool before they can use it.

A list of tools and trainers is given below.

Tools and trainers

Latest Victorian Covid Settings.

Statewide settings from 11.59pm Friday 22 April 2022

You're not required to show your **vaccination status** before entering any venue.

You are also not required to **check-in** to any venue using the Service Victoria app.

Masks will no longer be required in primary schools, early childhood, hospitality and retail settings, or at events with 30,000 attendees or more.

Close contacts will no longer have to quarantine – provided they wear a mask indoors and avoid sensitive settings. They will also need to undertake at least five rapid tests over the seven day period.
