- Bunnings BBQ 7th August 21st August 28th September
- Bunnings Promotion area (2) in August
- Doveton Show meeting August 1st Manning of the gate to count people entering only

COOKING Classes

Up to 10 members are interested in the new group which will start soon.

Starting with hygiene, equipment and food handling.
We hope to get this underway later in the year.

Public Speaking Group

The third meeting of the group had the same disappointing attendance with 3 members present.

We need more members and an audience if we are to survive. Last call one more session to be announced later.

The third round of speaking was titled organise your speech. Paul presented a speech based on the Men's Shed, this will be repeated for the members today.

The music group needs a keyboard player – do you play see President Doug!

EHMS Shirts

Charcoal

The bamboo shirts have now been delivered to the embroidery contractor who has ordered the polos.

Watch this space.

Dandenong Chess Club

The Dandenong Chess Club now meets at the Shed most Wednesday evenings. Any EHMS members, beginners or budding grand masters are invited to go along. Call Paul Huver on 0406 786 242 for information.

Bunnings invites Victorian Men's Shedders to the Mighty Trade Exp

Register now for the Melbourne event Melbourne Showgrounds, Exhibition Pavilion. Thursday 4 August 12:00pm – 7:00pm Free parking available via Gate 5 Langs Road, Ascot Vale. View on map Over 130 suppliers – click here to see the full list Register for the event here: <https://fcm.eventsair.com/bunnings-trade-expo-2022-mel/registration/Site/Register>

BENDIGO MODEL RAILWAY EXHIBITION Check out the Taradale model. Watch video here: <https://youtu.be/OKfTFkLtxJI>

Think Tank

A few ideas:

- Attractions on a different day
- Food demos John T and Kam Pow RC
- Karaoke
- Darts
- Vehicle servicing
- Trivia
- **Comedy Club**
- **Movie Shorts**

If you have an idea do something about it!!!

Covid Safe Gatherings from State Government Website

When organising or attending gatherings, consider ways to reduce the risk of getting and spreading COVID-19. Take extra precautions if someone has a higher chance of developing severe illness or complications from COVID-19 (including those not up to date with their vaccinations).

If after attending a gathering you learn you have COVID, or that someone you were with had COVID, follow the [COVID Checklist](#) to help keep yourself and others safe.

Checklist for attending a gathering

Follow these steps before and while you attend a small or large gathering:

- ensure you are up to date with your COVID-19 vaccination
- take a rapid antigen test if you are visiting someone who is at a high-risk of severe illness from COVID-19
- stay home if you are sick or experiencing COVID-19 symptoms
- maintain a physical distance of 1.5m from each other
- wear a face mask in a space (indoor or outdoor) where you cannot physically distance
- spend more time outdoors than indoors. Avoid poorly ventilated spaced, crowded indoor settings and prolonged contact with others
- clean your hands with soap and water regularly. Carry a hand sanitiser with you
- always cover your cough and sneeze into a tissue or a bent elbow
- keep a note of people you have visited in a gathering so you can contact them in case you get COVID-19.

Teaching Maths Over the Decades

Teaching Maths from the 1950s to Today

1. Teaching Maths in the 1950s ...

A forester sells a lorryload of timber for \$100

His cost of production is $\frac{4}{5}$ of the price.

What is his profit? S

2 Teaching Maths in the 1970s ...

A forester sells a lorryload of timber for \$100.

His cost of production is $\frac{4}{5}$ of the price, or SSO.

What is his profit? S

3 Teaching Maths in the 1990s ...

A forester sells a lorryload of timber for \$100.

His cost of production is \$80.

Did he make a profit? Yes or No

4. Teaching Maths in the 2000s ...

A forester sells a lorryload of timber for \$100.

His cost of production is \$80 and his profit is \$20.

Your assignment: Underline the number 20.

5. Teaching Maths in the 2010s ...

A forester cuts down a beautiful forest he planted in 1960 because he is selfish and inconsiderate and cares nothing for the habitat of animals or the preservation of our woodlands.

He does this so he can make a profit of \$20.

What do you think of this way of making a living?

Topic for class participation after answering the question: How did the birds and koalas feel

as the logger cut down their homes?

6. Teaching Maths in the 2020s ...

Maths is a racist subject.

Students no longer need any maths skills to go to University.

$2+2 = 4$, or 22, or whatever you feel is correct for you.

There are no wrong answers, feel free to express your feelings e.g., anger, anxiety, inadequacy, helplessness etc.

Should you require debriefing at the conclusion of the exam there are Counsellors available

to assist you.
