Occupational Health students will pay their second visit to us on Tuesday. The visits forms part of their first-year curriculum. They will sit in on the meeting and may ask questions individually or in a group. Please assist them and feel free to ask them questions.

COOKING Classes

Paul led the way though the on-line food handling course, which was attended by Doug, Laurie, Graeme, and John T. The group achieved a 97% score on the assessment with 1 question incorrect (debatable).

This was followed by a demonstration of one way to make sausage rolls (which we had for lunch).

The operation of the oven and a temperature check is required.

Next session will be John Thornton's scones please watch for the announcement

The music group needs a keyboard player – do you play see President Doug!

Public Speaking Group

The final meeting of the group had the same disappointing attendance with 3 members present.

A presentation to the club will be made when a date is fixed.

Dandenong Chess Club

The Dandenong Chess Club now meets at the Shed most Wednesday evenings. Any EHMS members, beginners or budding grand masters are invited to go along. Call Paul Huver on 0406 786 242 for information.

Roller Soaker Repair

Howard brought in a soaker roller from the tennis club for repair, After much angst the men pulled apart the machine and repaired it Howard has now quoted for the repair of four more machines.

The CNC team are admiring the new machine which is now fully operational.

Peter has given the plans and instructions on how to build this pedal car to the shed. Last Tuesday he dropped in to explain the sort of work that he does.

The plans and cut outs are available to members on request, and I am sure if you need help Peter would oblige.

Thanks to Vin for the picture, right.

THE DOVETON SHOW

A group of 12 members attended the show and took control of the gates and a table in the pavilion. We sold about \$250 worth of games and a tray. Tony C makes the games and Tony R is the supersalesman.
