## The Story of Hudson

My name is Hudson, and I am a black Labrador cross living in Endeavour Hills, my owners name is Hazy Wazey, and she asked the Endeavour Hills Men's Shed to modify my kennel.

Here is the finished item.

With my own air conditioner and Sunroof

Last year I replaced all the windows in my house with those expensive, double-pane, energy-efficient kind. Today, I got a call from Home Depot who installed them. The man complained that the work had been completed a year ago, and I still hadn't paid for them.

HHHelloo.....just because I'm blonde doesn't mean that I am automatically stupid. So, I told him just what his fast-talking sales guy had told me last year... that these windows would pay for themselves in a year.

Helloooo, it's been a year, so they're paid for, I told him. There was only silence at the other end of the line, so I finally hung up. He never called back. I bet he felt like an idiot!!!

An essential item for cyclists that are too old to cycle.
