## FIRST AID

Thirteen members completed the first aid course delivered by Delene Lynex, director of Lynex first aid. Delene gave us a potted history of her career as a nursing sister in theatre, emergency and other hospital departments. Then proceed to show a video on CPR with practical demonstration and member training. Also, many scenarios of what to look for and how to act and react to first aid situations. Those members completing the course will be listed in the bulletin. Those members who wanted to but were unable to attend will be slotted into other courses as they wish.

Just checking...

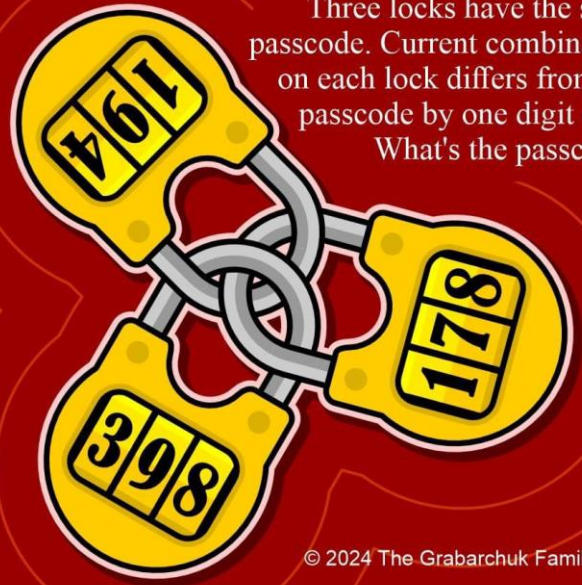

Y'all doing OK?

### Locks Code

Three locks have the same passcode. Current combination on each lock differs from the passcode by one digit only. What's the passcode?
