Ice breaker by Michael Clark

Michael a chef by traynibg gave a most interesting introduction speech covering his life from being born in Sydney and living on the Isle of Wight in England. His work life included being a guard on BT and an emergency driver, followed by 10 years as a ticket inspector. His wife ran a sub post office on the IOW and they were caught in the post office scandal.

Peter Wallace and Len Follet fixing locomotives and rolling stock for model railways.

Interesting table made by Carmelo Canatta.

Steak basher by Glotabhaya.
