EHMS activities on 23rd April 2024.

Vin gave a presentation on who started World War 1 or the great war as it was known.

David Taylor held a session on 3D Printing,

In memory of David Robinson whose life we will celebrate on Friday.

A wealthy Arab Sheik was admitted to hospital for heart surgery, but prior to the surgery, the doctors needed to store his type of blood in case the need arose.

As the gentleman had a rare type of blood, it couldn't be found locally, so, the call went out.

Finally, a Scotsman was located who had a similar blood type. The Scot willingly donated his blood for the Arab.

After the surgery, the Arab sent the Scotsman in appreciation for giving his blood, a new BMW, 5 carats of diamonds, and \$50,000 dollars.

A couple of days later, once again, the Arab had to go through a corrective surgery.

The hospital telephoned the Scotsman who was more than happy to donate more of his blood again.

After the second surgery, the Arab sent the Scotsman a thank-you card and a box of Black Magic chocolates.

The Scotsman was shocked that the Arab did not reciprocate his kind gesture as he had before.

He phoned the Arab and asked him: "I thought you would be generous again, that you would give me another BMW, diamonds and money ... but you only gave me a thank-you card and a box of chocolates."

To this the Arab replied: "Aye laddie, but I have Scottish blood in ma veins now."

Cheers David 😊

Laughing at Old Age

- You're getting old when you don't care where your spouse goes, just as long as you don't have to go along.
- Statistics show that at the age of seventy, there are five women to every man. Isn't that an ironic time for a guy to get those odds?
- Old age is when it takes longer to rest than to get tired.
- By the time a man is wise enough to watch his step, he's too old to go anywhere.
- Old age is when you have stopped growing at both ends and have begun to grow in the middle.
- Old age is having a choice of two temptations and choosing the one that will get you home earlier.
- A man has reached old age when he is cautioned to slow down by his Doctor instead of by the police.
- Don't worry about avoiding temptation. As you grow older, it will avoid you.
- You're getting old when "getting lucky" means you find your car in the parking lot.
