The same skills put to bear every Tuesday at the Shed.

A big thank you to our Shedders for running the BBQ at the Dandenong Bunnings Store today. Special thanks to Graeme who does the background work, opens and closes and just makes things happen, the quiet achiever.

SHAPE YOUR CITY
Make your feedback count

Hi all,

My name is Wayne Magee, and I am the Head of Community Engagement & Advocacy at the City of Casey.

I write to let you know about the Shape Your City community engagement program.

The Shape Your City community engagement program gives you the chance to have your say on the future of Casey. The decisions Council make and the services we deliver will be shaped by the community’s feedback.

There are multiple ways for you to provide your feedback including an online survey, online fund its tool and multiple in-person pop-ups around Casey.

Plus, everyone that completes an online survey goes in the running to WIN one of five \$500 Westfield Gift Vouchers.

You can read more about the program here: <https://conversations.casey.vic.gov.au/shape-your-city-2024>

We would love it if you could share the above information with your community at Endeavour Hills Men's Shed before the consultation closes on **Sunday 7 July**. I have also attached some images should you require them for an internal newsletter.

Feel free to reach out if you have any questions or concerns and thanks for helping us to Shape Your City.
