My wife and I were sitting at a table at her high school reunion, and she kept staring at a drunken man swigging his drink as he sat alone at a nearby table.

I asked her, "Do you know him?"

"Yes", she sighed,

"He's my old boyfriend. I understand he took to drinking right after we broke up those many years ago, and I hear he hasn't been sober since.

"My God" I said, "Who would think a person could go celebrating that long?"  
And then the fight started.....

### **“Rogues Gallery!”**

Here’s an upstanding member of the Endeavour Hills Shed.

Known for his quiet demeanour, Garrick is a smooth operator who hardly gets noticed. Chirpy, but never noisy, he occupies the 4<sup>th</sup> seat from the front on the left-hand side of the meeting.

Sometimes this left side is considered noisy or boisterous, but Garrick’s smoothing influence adds dignity to Shed proceedings at all times.

We need pacifiers like Garrick and he is a shining light to all members.

### **“International Pool News”**

Informal discussions with friends from Arkoonah Park Men’s Shed on possibility of an inter-shed pool competition. Either regularly or as a “oncer.”

Other sheds might also be interested from our surrounding districts.

What are your thoughts, pool players?

Could we form a team or two?

Perhaps one of our champions from the recent tournament could kick the idea around and we could go from there.

Ron Sterling (not a very good pool player, but a competent urger or a Ken Hinkley style sledger)

Did you hear about Jack Schitt?

Stay tuned for the gripping tale!

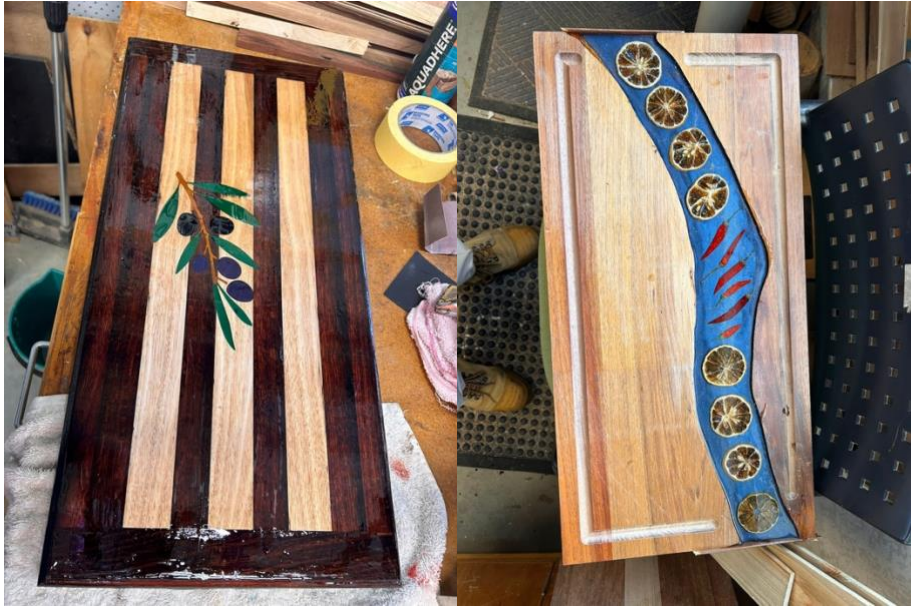

Our very own intrepid Music Group.  
Can you name the members?

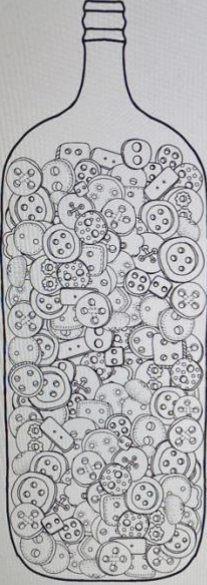

New members are coming out of the woodwork, much like termites.

Lovely work!

De-stress with a little bit of colouring in!
