Graeme Russel.

Graeme has recently joined our shed and has joined in activities. Here he is doing his seated exercises as part of the Thursday social group. Graeme worked in Tasmania in the timber and logging industry and spent time as a diver for abalone. He moved to Victoria after some health issues (he had his extra head removed), travelled around Australia extensively before settling locally. Graeme has become a mate of Derek after sharing a ride on our Living Legends trip to Tullamarine. Quiet, reserved, respectful but otherwise a top bloke.

Thursdays at the Shed.

This Thursday the guys had a pleasant morning with exercise and pool and just chatting.

Lunch was again organised by Howard's friend Joanne and was as usual delicious.

Next week Derek is our Head Chef which will be his first go.

Expect a lot of arm waving and corny jokes!

The program next week will concentrate on a Lightning Bowls knockout as well as usual activities. Ten o'clock is the starting time.

Rom Martin has kindly offered to organise our Pool Team/s and we will challenge other sheds from our area or cluster. If you are interested talk to Rom as it is early days and we need support and ideas, perhaps you have had experience in a Pub pool team. In a former life?

Following Thursday which is the tenth of October is a special day for members and partners with a trip to the Melbourne Fire Museum under the direction of Wal whose son is our contact for this excursion. Lunch will be at a city hotel and members will need \$8 entrance to the museum.

Robert McGregor is our celebrity chef for October 17th.

Any member is welcome to be part of the Thursday Lunch, whether joining in the activities or not. Lunch is \$5 above the normal \$2 shed entry.

Wanted to purchase (for free) jokes, cartoons and manly crap.

I really think it's time to take the warning labels off of everything and let stupidity work itself out of the gene pool.

Once you understand why the pizza is made round,
Packed in a square box,
And eaten as a triangle..
Then you will understand women

I GOT GAS TODAY FOR \$1.39 UNFORTUNATELY IT WAS AT TACO BELL.

Never seen anyone jogging and smiling, so that's all I need to know about that.

A PENNY FOR YOUR THOUGHTS SEEMS A LITTLE PRICED

I rear ended a car this morning...the start of a REALLY bad day!

The driver got out of the other car, and he was a DWARF!!

He looked up at me and said, "I am NOT happy!"

So, I said, "Well, which one ARE you then?"

That's when the fight started.

.....

One year, I decided to buy my mother-in-law a Cemetery plot as a Christmas gift....

The next year, I didn't buy her a gift.

When she asked me why, I replied, "Well, you still haven't used the gift I bought you last year!"

And that's how the fight started.
