“Rogue of the Week”

This week we feature Terry who is a regular attender at the Shed and its functions. This Thursday Terry had a crack at colouring in the black outline pictures using coloured fine point "Textas". This was not an easy task for Terry, but he had a crack at it getting some advice from John G. This activity will be included in the Thursday program over the next few weeks.

Terry is a strong advocate for people's rights, especially those with a handicap. Terry enjoys the banter in the shed and asks many questions to keep informed.
